Highlights

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Double Active Calc System
Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

2400 W for quick heat up

2400 W for quick heat up

Continuous steam up to 45g/m
Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Easy to handle
The Philips steam iron is designed to manoeuvre it easily over the garment and enabling you to reach easily even the hardest to reach areas.

Lightweight iron
The iron has an optimal weight of 1.6kg making it easy to constantly place the iron on the board and back to its heelrest.

Easy filling
Sideways opening filling door

Steam boost up to 170 g
Applying the steam boost will release a steam shot up to 170 g to remove even the toughest creases.

Steam tip
The unique steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.
